1年計画目標

めだかが転校してきた「私立たなか中学校」は少し(すごく?)変…。田中先生やポチ君、猫子さん達との大騒ぎな毎日が始まった! 楽しさいっぱいスクール・ギャグ!!

作者のことば

「この『めだかの学校』という4コマを通して読んでみて、現代の学校教育のあり方について考えさせられた人はまずいないと思いますが、実は作者もそんな事考えてほしいとは思っちゃいません。少しでも笑ってくれれば作者の私としては本望です」と語ってくれた森ゆきえ先生。

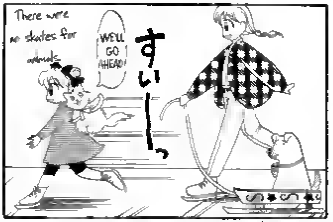
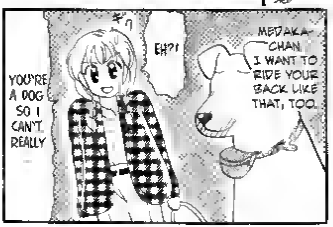
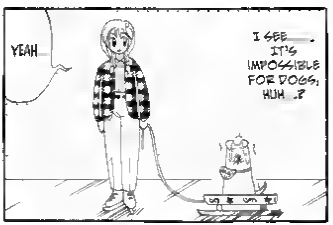
Would Really Like to Try







Here ends Chapter 1 of Medaka no Gakkou. Thanks for reading!
I read Medaka no Gakkou a few years back and I found it terribly amusing to the point where I felt like I had to make other people read it

However, I couldn't find any scanlation group good enough and willing to take up the project for me. So one day, I decided to scanlate a page of the manga everyday and post those on a dedicated blog!
http://medakatp.wordpress.com
If you can't wait for chapter releases, you can just view a page everyday there. I'll be glad if you visit!

I'm looking for a scanlation group willing to pick it up for me and I will gladly provide my raws. I'll be happy to give it to a group that's experienced and with a good translator (Who wants the punchlines demolished anyway?) And most importantly, a group that can see this project through since it's 6 volumes. I'm happy enough as long as more people get to know about Medaka no Gakkou. If interested, please visit my blog and post a comment on the first post

Oh and thanks goes out to the people who look at my blog posts often for new pages. ^_^ Your support has helped me a lot! Especially to Soyara who helped me edit some evil tones. ;)
